

TEAM BRUICHLADDICH *Radical*

Team Bruichladdich Radical LMP2- Drives Available For 2008 In The Le Mans Series

Team Bruichladdich Radical has seats available for drivers with full budget to drive the factory-supported Radical SR9 in the six rounds of the very successful Le Mans Series in 2008.

TBR is looking for drivers who must have experience of driving at a high level of motorsport.

The team offers:

2.0 litre AER Turbo SR9

Extensive spares package taken to track

Testing available

Hospitality dining at all the rounds

Live in car telemetry displays in the pits

Pit passes

Corporate days with Radical two seater SR3

Track days with Radical's extensive range of cars for coaching and track experience.

Ideal for sponsors and family

Professional coaching and race engineer support

Opportunity to drive in the Radical European Masters, support to the Le Mans Series.

Ideal to learn the tracks

Car voted best looking car by Motors TV!

The Radical SR9 started 2007 as the fastest LMP2 at Paul Ricard and has been continually developed over the year. New developments being introduced for 2008 will ensure that the car remains competitive. The podium-finishing SR9 has been complimented by drivers with all levels of experience.

Driver support can be adapted as required, but facilities include driver coaching, fitness training and car set up coaching. Coaching is also available in the stunning SR8, which is only a few seconds slower than the SR9, if required.
